On April 11, 1994, the Grayson County E-911 Board filed a formal complaint against South Central Bell Telephone Company ("South Central Bell") and GTE South Incorporated ("GTE South"). The complaint relates to the provision of E-911 services to the McDaniels and Caneyville exchanges. Shortly after filing the complaint, the Grayson County E-911 Board advised Commission Staff, by telephone, that it wished to seek an informal resolution of the matters and no longer wanted to pursue the formal complaint. The Grayson County E-911 Board was to request in writing a withdrawal of the formal complaint. To date, no such request has been received.

Therefore, the Commission, having been sufficiently advised, HEREBY ORDERS that this formal complaint be dismissed within twenty (20) days from the date of this Order unless the Grayson County E-911 Board has notified the Commission, in writing, that it does

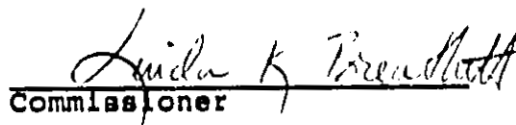

intend to pursue this formal complaint. If no such notification is received by the Commission, this complaint will be dismissed without further Order.

Done at Frankfort, Kentucky, this 16th day of June, 1994.
